The screenshot shows the Pinnacle Studio Ultimate 12 interface. At the top, the menu bar includes 'Fil', 'Rediger', 'Visning', 'Album', 'Værktøjskasse', 'Opsætning', and 'Hjælp'. Below the menu bar, there are three tabs: '1 Optag', '2 Rediger', and '3 Opret film'. The '2 Rediger' tab is active, and an arrow points to it from a text box. The main workspace is divided into several panels. On the left, there is a 'Filer' panel showing a list of video files with their names, resolutions, frame rates, and durations. The 'Scener' panel is also visible. On the right, there is a preview window showing a video frame of a person standing next to a large red wheel. Below the preview window, there are playback controls including play, stop, previous, next, and a time display showing '0:04:40.10'. At the bottom, there is a timeline with a yellow background and a blue track. A vertical line marks a specific point in the video at '0:04:40.00', and an arrow points to it from a text box.

2: åben værktøjskassen og vælg "Grap videoframe"

Du kan hente et enkelt billede ud af filmstrimlen, det benævnes at Grappe

1: marker det billede du vil grappe

The screenshot shows the Pinnacle Studio Ultimate software interface. The main window displays a video preview area on the right and a 'Grab' dialog box on the left. The dialog box has a 'Grab fra' section with 'Film' selected and 'Videokamera' unselected. There is a 'Reducer flimmer' checkbox which is checked. Below this, there is a preview window showing a still image from the video. At the bottom of the dialog box, there are two buttons: 'Tilføj til film' and 'Gem på disk'. A blue callout box points to the 'Gem på disk' button with the text: 'Du kan også gemme billedet på disken, så skal du blot trykke på "Gem på disk" i stedet for "Tilføj til film"'. Below the dialog box, the video editing timeline is visible, showing a video track and an audio track. A blue callout box points to a video clip on the timeline with the text: '4:a og herefter på "Tilføj til film"'. Another blue callout box points to the same clip with the text: '4b: billedet ligger på redigeringsaporet'. The software title bar reads 'Pinnacle Studio Ultimate - 2011-febr-kursus'. The menu bar includes 'Fil', 'Rediger', 'Visning', 'Album', 'Værktøjskasse', 'Opsætning', and 'Hjælp'. The main menu has '1 Optag', '2 Rediger', and '3 Opret film'. The main window title is 'Pinnacle Studio Ultimate 12'. The bottom right corner of the software window shows 'Side 17'.
