

The screenshot displays the Pinnacle Studio Ultimate software interface. At the top, a menu bar includes 'Fil', 'Rediger', 'Visning', 'Album', 'Værktøjskasse', 'Opsætning', and 'Hjælp'. Below the menu, there are three tabs: '1. Optag', '2. Rediger', and '3. Opret'. The main workspace is divided into several sections. On the left, there is a 'Råfilm' (Raw Footage) panel showing a list of video files with their respective resolutions, frame rates, and durations. In the center, there is a preview window displaying a colorful graphic. At the bottom, there is a timeline labeled 'Min film' with a yellow background and time markers from 00:00 to 0:02:00.00. Two blue callout boxes with white text and arrows provide instructions: one points to the video list, and the other points to the timeline. The text in the callouts is: 'Importerede videoer findes ved at klikke på "vis videoer"' and 'Klik på den ønskede video træk herefter, med venstre museknap nede videoen ned på "videosporet"'.

The screenshot shows the Pinnacle Studio Ultimate 12 interface. At the top, the menu bar includes 'Fil', 'Rediger', 'Visning', 'Album', 'Værktøjskasse', 'Opsætning', and 'Hjælp'. Below the menu bar are three tabs: '1 Optag', '2 Rediger', and '3 Opret film'. The main workspace is divided into several panels:

- Left Panel (Råfilm):** A list of video files with their specifications. A large blue callout box with the text 'Klip filmen' is overlaid on this panel.
- Right Panel (Preview):** A video preview window showing a person on a motorcycle on a dirt road. Below the preview are playback controls and a timecode of 0:01:33.03.
- Bottom Panel (Timeline):** A multi-track timeline with a yellow top bar showing time from 00:00 to 02:20:00. A video clip is placed on the timeline. A blue callout box with the text 'Placer linealen' has an arrow pointing to the clip's start. Another blue callout box with the text 'Tryk herefter på barberbladet' has an arrow pointing to the clip's end. A third blue callout box with the text 'Og filmen er skåret over' has an arrow pointing to the clip's end.

The screenshot shows the Pinnacle Studio Ultimate 12 interface. At the top, there are menu options: Fil, Rediger, Visning, Album, Værktøjskasse, Opsætning, Hjælp. Below the menu is a progress bar with three stages: 1 Optag, 2 Rediger (selected), and 3 Opret film. The main workspace is divided into several panels. On the left is the 'Råfilm' (Raw Footage) panel, which lists several video files with their specifications (resolution, format, frame rate, and duration). A large blue callout box with the text 'Klip film' is overlaid on this panel. In the center-right is the 'Video Preview' window, which shows a video of a person walking on a path in a forest. Below the preview are playback controls, including play, stop, and a timecode display showing 0:01:34.09. At the bottom is the 'Timeline' panel, which shows a video track and an audio track. A blue callout box with the text 'Placer Lilialen et nyt sted' has an arrow pointing to a video clip on the timeline. Another blue callout box with the text 'Tryk igen på barberbladet' has an arrow pointing to the 'Trim' button in the timeline's toolbar. A third blue callout box with the text 'Marker området som skal fjernes' has an arrow pointing to a selection box on the timeline. A fourth blue callout box with a list of instructions has an arrow pointing to the 'Trim' button. The list contains: '• Tryk herefter på' and '• skrallspanen'. The software title bar at the top reads 'Pinnacle Studio Ultimate - Min film 1 *'. The bottom right corner of the software window shows 'Side 1 af 2'.
